STAINLESS FILTER MESH CG 23 (OPTIONAL EXTRA)
(PUSH FIT INTO OUTLET NOZZLE CG 22)

(Helps prevent pin-holing)

•

HAND CASTING TAP

Used for over 25 years by porcelain, china and earthenware manufacturers i.e Aynsley China, Beswick, Coalport China, Royal Doulton, Spode, Josiah Wedgwood and many more. We also produce a casting tap suitable for sanitary ware and large hollow-ware casting REF' L V 32 which accepts 1 1/4" (32mm) bore supply hose giving approx 50%---60% more casting-slip flow.
